

## **CHARGE TO THE DELTA VISION COMMITTEE**

November 27, 2006

The Delta Vision Committee has been established by the Governor in accordance with his Executive Order S-17-06 (Delta Vision). Consistent with the Executive Order, the Delta Vision Committee is charged with the following responsibilities:

- Oversee staff support to the Delta Vision Committee, Blue Ribbon Task Force and Stakeholder Coordination Group during preparation of Delta Vision and the Strategic Plan recommendations by the Blue Ribbon Task Force;
- Monitor progress toward preparation of Blue Ribbon Task Force recommendations;
- Conduct periodic Public Committee Meetings relating to the Committee's oversight responsibilities concerning the Delta Vision process and work products;
- Explore entering into agreements with private and non-governmental organizations to receive funding for Delta Vision;
- Select Delta Vision Science and Technical Advisors to inform the Delta Vision Committee, Blue Ribbon Task Force and Stakeholder Coordination Group;
- Select members of the Delta Vision Stakeholder Coordinating Group created pursuant to the Executive Order;
- Review and consider Science and Technical Advisor responses to science inquiries submitted by the Blue Ribbon Task Force and/or Stakeholder Coordination Group;
- Review and transmit comments on Blue Ribbon Task Force recommendations contained in the public drafts of the Delta Vision and Strategic Plan documents;
- Review and prepare comments on Blue Ribbon Task Force recommendations contained in the final versions of the Delta Vision and Strategic Plan documents; and
- Report to the Governor prior to December 31, 2008 with recommendations for implementing the Delta Vision and Strategic Plan.
